A Bad Idea Im About

In 2016, migrant remittance flows to developing countries amounted to \$440 billion, more than three times the size of official development aid flows. In many countries, remittances are the largest source of foreign exchange. In India and Mexico, they are larger than foreign direct investment; in Egypt, they are larger than the revenue from Suez Canal; and in Pakistan, they are

This is an interesting exchange. Here is my attempt to put the argument into perspective in four steps. First, accept the premise that one can't use linguistic tools (courtroom arguments) to communicate with a part of the brain that lacks language (the 'reptilian' brainstem) - I suspect that David Ball, Don Keenan and any devotees of the approach that have considered that part of it ...

Origin of the term. The phrase "click of death" originated to describe a failure mode of the Iomega ZIP drives, appearing in print as early as January 30, 1998. In his podcast of September 18, 2008, Mac journalist Tim Robertson claimed to have coined the phrase in the early 1990s. The phrase was then applied to other drives exhibiting a similar unusual clicking sound usually associated with ...

All arguments on whether or not palm oil is good for you or not are irrelevant when we know that they are VERY unhealthy for the planet . The slash and burn policy associated with the farming of palm oil is destroying large areas of the planet and killing people with the resulting haze not only in places like Indonesia where the slash and burn policy is rampant, but in all the counties nearby.
