11 symptoms of depression are relationship traps that undermine every aspect of intimate connection as one partner disappears in illness.

11 Relationship Traps of Depression - Recover Life from ...

A serial killer is typically a person who murders three or more people, usually in service of abnormal psychological gratification, with the murders taking place over more than a month and including a significant period of time between them. Different authorities apply different criteria when designating serial killers. While most set a threshold of three murders, others extend it to four or ...

Depression is a common, debilitating mood disorder. Depression is highly prevalent in medically ill populations, and many persons with depression are either unaware they need professional help or are reluctant to seek it. Although contact with the primary care setting represents a potential opportunity for timely identification and intervention, abundant evidence indicates that many patients ...
