I am new to using a kindle, so went on a frenzy getting some of the free books available which I am so glad I did otherwise I wouldn't have stumbled across you as an author. Absolutely loved Three Girls and a Baby so went and bought the trilogy which I have just finished (2 books in 2 days, that's what the summer is all about!).

★★★☆ 3.5 Stars! Ransom by Rachel Schurig was a typically sweet NA romance with a rock star hero and a timid but likeable heroine. Even though the story didn't fully manage to hook me (mostly because I couldn't completely connect with the characters), I still enjoyed reading it.

### **Ransom (Ransom, #1) by Rachel Schurig - Goodreads**

Another great story from Rachel Schurig. I am really enjoying her Ransom series, in some ways this book is very similar to book one but with a different story line and not all about the tour. A great read, well worth getting, I am looking forward to getting book 3 in the series
